

ULTRAclean™ Hi-Lite™

A powerful concentrated neutral cleaner for daily maintenance that easily removes stains and tough grime

An environmentally friendly, ZERO VOC water based neutral cleaner developed to eliminate the high maintenance requirements of conventional floor finishes.

Excellent for general purpose cleaning on all surfaces including concrete, terrazzo, stone, hardwood, vinyl tile, and painted surfaces.

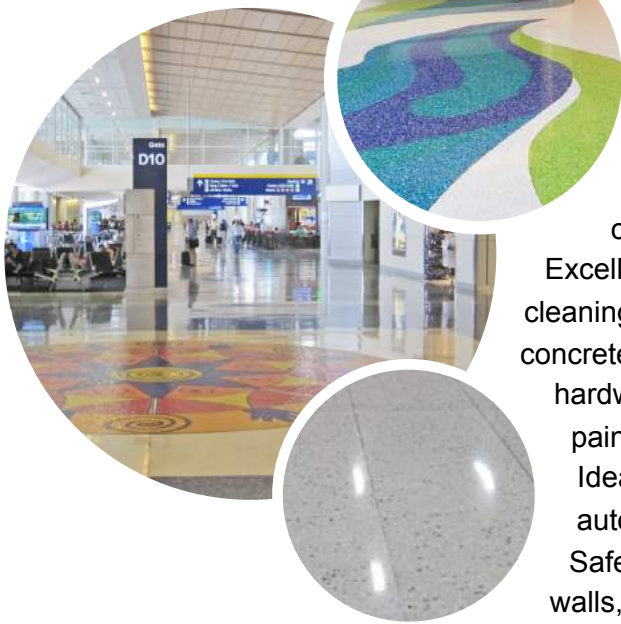

Ideal for use with autoscrubbers.

Safe and effective on floors, walls, countertops, appliances and more.

Concentrated neutral cleaner for your facility maintenance program

- Residential
- Commercial
- Industrial
- Institutional

QUICK FACT

ULTRAclean HiLite is pH neutral and does not require additional rinsing and is safe and easy to use on all surfaces.
